

SEPTIAN SETIA CAHYA PURNAMA

Frontend Developer

Kuningan, Jawa Barat • 085-295-570-149 • septianscp@gmail.com

SUMMARY

Frontend Developer with 6+ years of experience building and maintaining production web applications. Experienced in translating UI/UX designs into scalable React components, and comfortable working both independently and with cross-functional teams.

WORK EXPERIENCE

Frontend Developer → Frontend Team Lead , Renos 2021 - 2026

- Built and maintained React and Next.js applications used in production for internal teams and customers.
- Translated UI/UX designs into reusable, scalable components, improving development consistency across the frontend codebase.
- Integrated frontend features with backend APIs, handling loading states, errors, and edge cases in real-world scenarios.
- Took ownership as Frontend Team Lead, leading task breakdowns, estimations, and delivery planning.
- Reviewed pull requests and enforced frontend standards to maintain code quality and performance.
- Collaborated closely with product, backend, and QA teams to ensure smooth and timely feature delivery.

Frontend Developer, Lab Me Analitycs 2019 - 2020

- Collaborated with UX designers to implement functional, user-friendly interfaces based on design specifications.
- Integrated frontend components with backend APIs and delivered responsive React-based web applications.

Frontend Developer, Ink & Canvas 2017 - 2021

- Implemented responsive web interfaces from design mockups for multiple client projects.
- Developed and maintained frontend features while working closely with designers and stakeholders.
